### Stop by to pick up a book.  Donate yours for others to use and enjoy

A community book exchange that provides something to read without charge, obligation, registration or indoctrination. Everyone is welcome to take any number of books for their reasonable, personal use.

### The current schedule is listed at the Web Site:

Jersey City Free Books always can use donations of solid recent fiction and non-fiction, including text books less than three years old. Literary classics are always welcome. Children's books and books of all types in languages other than English are great, too.
